National Weather Service
 500 Airport Blvd. #115
 Lake Charles, LA 70607
 337-477-5285

Use the form below to determine which DVD title(s) you would like copied. Each DVD title requires **ONE 4.7GB General Purpose DVD-R or 4.7GB DVD+R disc** to reproduce. Total up the number of discs you will need for your request, and send the package (along with a return address and phone number) to:

Send to:	Your return address and phone number:
Donovan Landreneau National Weather Service 500 Airport Blvd. #115 Lake Charles, LA 70607	

In turn, we will make the copies at the National Weather Service, and send the package back to you with the paper jewel case inserts.

We can write to re-writable DVDs (DVD-RW or DVD+RW), but you risk losing the data as they can be easily erased. Also, none of the titles below require the DVD-RAM, 8.5GB DVD+R Dual Layer, or 8.5GB DVD-R Dual Layer discs, as they are much more expensive to purchase. **Please limit your request to one copy per title, as these have to be copied one at a time.**

Title
